

# AUDA StreetScape Update

August 24, 2011

## CONSTRUCTION PROJECT UPDATE

From August 17th–24th, please anticipate construction work to continue between Elder's Station & Pine Street on Lincoln Way. Construction crews will continue demolition in front of the State Theatre this week. Hansen Brothers will also be placing the irrigation sleeving and street light conduits this week. Hemington Landscape will be forming for the curb, gutter and sidewalks with concrete scheduled for next week. Crews are scheduled to patch pave next Monday.

Hansen Brothers will continue to have traffic control between Elder's Bus Station and Pine Street with one traffic lane open in each direction on Lin-

coln Way to facilitate the trenching work. The lanes of traffic will shift according to the construction work.

Please anticipate some delays on Lincoln Way. We regret this inconvenience and ask our residents, businesses and visitors to be patient and considerate during the project. The construction will occur over the next four months.

Please remember that businesses are open during construction and there is public parking located on Lincoln Way near Elder's, near Depoe Bay and off E. Placer St.
